EXPERIENCE OVERVIEW

9-Tage Nordumrundung Kilimandscharo

Northern Circuit — The Ultimate Kilimanjaro Trek
The Northern Circuit is Kilimanjaro's longest route at 9 days, completely circumnavigating the mountain. It combines the scenic Lemosho start with an exclusive northern traverse that sees almost no other trekkers. With the most gradual ascent profile, it boasts the highest summit success rate of any standard route — over 95%.
True Wilderness Experience
The northern slopes of Kilimanjaro are rarely visited. You'll have the mountain virtually to yourself for 2-3 days, with unobstructed views of Kenya's Amboseli plains to the north — a perspective most climbers never see.
