EXPERIENCE OVERVIEW

2-Day Budget Ngorongoro Crater Safari

A quick and affordable trip to the world-famous Ngorongoro Crater — the best place in Africa to see the Big Five in one day.

Experience the Ngorongoro Crater, one of Africa's most remarkable natural wonders, on this affordable 2-day safari. The crater is a collapsed volcano that forms a natural enclosure for approximately 25,000 animals, making it one of the best places on Earth to spot the Big Five in a single day.

Descend 600 meters to the crater floor where lions, elephants, buffalos, rhinos, and leopards roam freely. The crater also hosts large populations of hippos, flamingos, and hyenas.

This short safari is ideal for travelers with limited time who want maximum wildlife impact. Stay overnight at a budget lodge on the crater rim with breathtaking views.
